**EXECUTIVE SUMMARY OF THE
ANNUAL INCREMENT TO THE URBAN COUNTY CONSOLIDATED PLAN
FOR THE PERIOD JULY 1, 2001 TO JUNE 30, 2002**

This Annual Plan describes the activities which the Urban County anticipates undertaking in the 2001/02 fiscal year with funds received through the Community Development Block Grant (CDBG) Program, the Home Investment Partnership Act (HOME), and the Emergency Shelter Grants (ESG) Program. These activities are intended to meet the Urban County's affordable housing and community development needs, as described in the FY 2000-2005 Consolidated Plan. The Annual Plan also describes the activities which the Urban County plans to undertake to further fair housing goals.

RESOURCES

Federal Funds

Several resources are available to the non-profit agencies and cities which will undertake the actions identified in this plan. The primary resource is the federal funding channeled through the County of Santa Clara Housing and Community Development (HCD) Program.

One of the largest federal grants administered by County HCD is the Community Development Block Grant (CDBG) Program. CDBG provides funding for a wide variety of housing and housing-related activities, including the development of new affordable housing units, the rehabilitation of affordable housing units, construction of neighborhood centers, the removal of architectural barriers for the elderly and persons with disabilities, fair housing services, and for a variety of similar public services.

HCD also manages the Emergency Shelter Grant (ESG) Program, the HOME Investment Partnership (HOME) Program, and the Shelter Plus Care (S+C) Program, all of which are federally funded. ESG provides grants for operational costs, building improvements, and essential services to the area's existing homeless shelters. HOME funds can be used for the acquisition of land or buildings, and the rehabilitation or new construction of decent, affordable housing. The Shelter Plus Care funds provide rental subsidies for homeless people with special needs requiring services, such as the disabled, the mentally ill, substance abusers, and individuals with HIV/AIDS.

Funding for FY 01/02 is as follows:	\$2,669,000 CDBG
	1,042,000 HOME
	91,000 ESG
Total Funding	<u>\$3,802,000</u>

Other Resources

Additional funding in support of the affordable housing activities outlined in the annual plan is available through the County of Santa Clara's Density Bonus Program. This program provides revenue for the County's Low and Moderate Income Housing Fund, which can be used for projects similar to the CDBG and HOME projects administered by HCD.

In the past, County HCD has also received funding through the State of California for the California Housing Rehabilitation Program for Owners and Renters (CHRP-O and CHRP-R). When the State issues a Notice of Funding Availability (NOFA) for programs like the McKinney Act and the Bay Area Regional Homeless Initiative, County HCD Staff submits applications for the available funding. Any funds received from the State would be directed to the types of projects normally administered by HCD.

Other resources not administered by the Urban County HCD Program are also available for housing projects and housing-related services. These programs include:

- The Local Redevelopment Agencies (RDA) of the cities of Campbell, Los Gatos, and Morgan Hill, which are mandated to set aside 20% of their funding for low-income housing projects.
- The Mortgage Credit Certificate (MCC) Program, administered by the County's Office of the Housing Bond Coordinator, which is available for eligible first-time home buyers.
- Low Income Tax Credits, which are available to non-profit housing developers.
- The Rental/Mortgage Assistance Loan Program created by the Housing Bond Trust Fund Committee of Santa Clara County.
- The Housing Trust Fund, currently being developed by the Santa Clara County Housing Collaborative, in association with the Silicon Valley Manufacturers Group (SVMG) which would be a Countywide renewable resource for affordable housing projects and homeless activities.

Established Priorities

Funding priorities were established for both the CDBG and HOME programs through an extensive community review process resulting in the 5 Year Consolidated Plan. This process included an evaluation by HCD staff, public meetings in each of the five supervisorial districts, public meetings before the HCD Citizen's Advisory Committee, and/or public meetings before the HCD Council Committee, comprised of City Council representatives from the participating cities and the Santa Clara County Board of Supervisors. The finalized Plan resulting from this process

included the following priorities for the allocation of available Federal funds:

- Increase the available supply of housing affordable to lower income households.
- The rehabilitation and maintenance of existing housing.
- Preserving existing affordable housing.
- Ensuring equal housing opportunities.
- Increasing housing opportunities for special needs households.

ACTIVITIES TO BE UNDERTAKEN

The following is a summary of activities funded for FY 01/02 to address each established priority. More detailed information on specific projects can be found in the charts at the end of this summary. A much more detailed description of activities to be undertaken in FY 01/02 can be found in the "Listing of Proposed Projects," which is included in the Annual Plan.

Priority 1: Increase the Available Supply of Housing Affordable to Lower Income Households

1. Several new construction projects will be undertaken by non-profit housing development corporations, including:
 - Silicon Valley Habitat for Humanity will construct 4 single-family homes for extremely low-income families in Campbell.
 - Charities Housing Development Corporation and InnVision will construct 25 units of cohousing in San Jose for survivors of domestic violence.
 - South County Housing will continue the Church Street Project in Morgan Hill which will produce 72 units of affordable family housing.
2. Existing structures will be acquired and rehabilitated by non-profit housing developers, including:
 - Combined Addicts and Professional Services (CAPS) will acquire two adjacent homes in San Jose and continue serving 30 residents that are extremely low income recovering substance abusers.

-The Emergency Housing Consortium will rehabilitate two apartment buildings consisting of 13 units of transitional housing in San Jose, which serves 40 homeless, disabled, single adults. Work to include structural repairs, exterior and interior renovations.

-Project Match will acquire a 3 bedroom home in Campbell and will add 2 bedrooms and a handicapped-accessible bathroom. Project will serve 5 low and very low-income seniors.

3. The County-wide Collaborative Housing Trust Fund will provide a renewable financial resource for affordable housing development projects, and will continue to raise funds toward its \$20 million goal. Currently the fund has raised \$17 million.

Priority 2: The Rehabilitation and Maintenance of Existing Housing:

1. Each participating city and the County's unincorporated area will continue to operate a local Housing Rehabilitation Program and the Program will be serving 25 lower-income households.
2. Economic and Social Opportunities (ESO) will continue to operate a Minor Home Repair Program in several cities and in the unincorporated area by assisting approximately 40 households.

Priority 3: Preserving Existing Affordable Housing:

1. Funds will be allocated to Catholic Charities and Project Match to enable them to continue to provide shared housing for low income people. It is anticipated that approximately 60 persons will be served.

Priority 4: Ensuring Equal Housing Opportunities:

1. The Santa Clara County Fair Housing Consortium, which includes the Asian Law Alliance (ALA), Mid Peninsula Citizens for Fair Housing (MCFH), Project Sentinel, and the Mental Health Advocacy Project, will continue to provide resources for Urban County residents with tenant/landlord, housing discrimination, and fair housing concerns.
2. Continue to work with an outside consultant in completing a fair housing study conducted by Emperical Research Group to determine the level of Fair Housing need and the adequacy of the local response to such needs.

Priority 5: Increasing Housing Opportunities for Special Needs Households:

1. The Silicon Valley Independent Living Center will provide housing counseling to the Urban County disabled.
2. Economic and Social Opportunities (ESO) will continue to provide handicapped access to Urban County residents under the Minor Home Repair Program.
3. Projects funded under the Emergency Shelter Grant Program (ESG) will provide homeless persons with essential services and homeless prevention programs. ESG funds will also be used to cover maintenance, operations, and utility costs for homeless shelters.
4. Four battered women's facilities, which assist in providing emergency and short term housing, food, counseling, and life skills workshops will be funded.

OTHER ACTIVITIES DIRECTED TOWARDS HELPING THE HOMELESS AND OTHERS WITH SPECIAL NEEDS

Homeless Services

The Santa Clara County Collaborative on Housing and Homeless Issues, which was established in 1992, represents homeless shelter providers, service providers, housing advocates, non-profit housing developers, and representatives of local governmental jurisdictions. More than 120 agencies have come together to form the Collaborative in order to obtain more funding for homeless shelters, services, and to develop more affordable housing.

In March 2001, the Collaborative contracted with HOMEBASE to work with the Collaborative in order to strengthen its capacity. This capacity building will aid in the Collaborative's ability to raise additional funds for homeless projects in the future. The County of Santa Clara funded this contract with HOMEBASE.

Collaborative participants applied for and received FY 2000 Department of Housing and Urban Development (HUD) funds in the amount of \$6.2 million, designated for projects that provide housing and supportive services to homeless people. The Collaborative also prepared a Continuum of Care Plan, which identified the region's gaps in services and outlined the housing needs and priorities. HUD funds, as well as the Emergency Shelter Grants Program (ESG) and the Shelter Plus Care Program (S+C), will continue to provide rental subsidies and services for the homeless. In addition, the Collaborative supports inter-agency partnerships, and will support funding requests from 22 agencies, in the FY 01/02 McKinney funding cycle.

Special Needs

The City of San Jose has been designated by HUD as a recipient of Housing Opportunities for People with AIDS (HOPE) funds. San Jose works with the other Entitlement cities to determine the appropriate allocation of these funds. Much of this money is directed toward countywide HIV/AIDS prevention and support services.

Many of the jurisdictions in the Urban County are using CDBG funds to meet the American's with Disability Act (ADA) requirements. These improvements include restroom access improvements, curb cuts, ramps, automatic doors, etc.

The Housing Authority has been working with a local group called Housing Choices to provide housing opportunities for person with special needs, and continues to explore land opportunities for construction of additional housing.

ANNUAL INCREMENT TO THE URBAN COUNTY CONSOLIDATED PLAN FOR THE PERIOD JULY 1, 2000 TO JUNE 30, 2005

This Annual Plan describes the activities which the Urban County anticipates undertaking in the 2001/2002 fiscal year with funds received through the Community Development Block Grant (CDBG) Program, the Home Investment Partnership Act (HOME), and the Emergency Shelter Grants (ESG) Program. These activities are intended to meet the Urban County's affordable housing and community development needs described in the Consolidated Plan. The Annual Plan also describes the activities which the Urban County plans to undertake to affirmatively further fair housing choice.

RESOURCES

1. Primary Federal Resource

County of Santa Clara Housing and Community Development (HCD) Program

The County of Santa Clara HCD Program is committed to providing housing assistance for low income residents of the County through a variety of programs. One of these is the Community Development Block Grant (CDBG) Program which was created by the Housing and Community Development Act of 1974. Since the inception of the program, a wide variety of housing and housing related activities have been funded including the construction of new affordable housing units, the rehabilitation of affordable housing units, construction of neighborhood centers, the removal of architectural barriers for the elderly and persons with disabilities, fair housing services, and other public services. In the County of Santa Clara, the CDBG Program is administered by the Housing and Community Development (HCD) Program which is part of the Environmental Resources Agency. Since 1975, the Urban County grant has been allocated annually to participating cities, to provide services in the unincorporated areas of the County, and to numerous non-profit organizations.

In addition to administering the CDBG Program, the Housing and Community Development Program also manages the Emergency Shelter Grants (ESG) Program, the HOME Investment Partnerships (HOME) Program, and the Shelter + Care Program.

**Funding for FY 01/02 is as follows: \$2,669,000 CDBG
1,042,000 HOME
91,000 ESG**

2. Other Resources

The Housing and Community Development (HCD) Program also manages the Santa Clara County Density Bonus Program which provides revenue for the County's Low and Moderate Income Housing Fund. The Housing and Community Development Program has received funding in the past through the State of California for the California Housing Rehabilitation Program for Owners and Renters (CHRP-O and CHRP-R). When a Notice of Funding Availability (NOFA) is issued, the County HCD Staff submits applications for funding. Examples of this include McKinney Act and the Bay Area Regional Homeless Initiative.

Other available resources which are not administered by the Urban County HCD Program include Local Redevelopment Agency (RDA) funds of the cities of Campbell, Los Gatos, and Morgan Hill, which are designated for the mandated 20% setaside for low-income housing, the Mortgage Credit Certificate (MCC) Program for eligible first-time homebuyers and Low Income Tax Credits that are available to non-profit housing developers. In addition, a Rental/Mortgage Assistance Loan Program has been created through the Housing Bond Trust Fund Committee of Santa Clara County. Finally, the Santa Clara County Collaborative is in the process of establishing a Housing Trust Fund which would be a Countywide renewable resource for affordable housing projects and homeless activities.

3. Established Priorities

Priorities were established in the previous 2000-2005 Urban County Consolidated Plan for both the CDBG and HOME programs through an extensive community review process. This process included an evaluation by HCD staff, public meetings before the HCD Citizen's Advisory Committee, or public meetings before the HCD Council Committee, comprised of city council representatives from the participating cities and the Santa Clara County Board of Supervisors. During this process, the following priorities were established for the allocation of available Federal funds.

PRIORITIES FOR ALLOCATION OF FUNDS

- **Increase the Available Supply of Housing Affordable to Lower Income Households**
- **The Rehabilitation and Maintenance of Existing Housing**
- **Preserving Existing Affordable Housing**
- **Ensuring Equal Housing Opportunities**
- **Increasing Housing Opportunities for Special Needs Households**

ACTIVITIES TO BE UNDERTAKEN

The following section describes the activities to be undertaken during FY 01/02. These activities were generated through a response to a Request for Proposal (RFP) which stated the resources available for funding and outlined the established funding priorities of the Urban County. The detailed description of activities to be undertaken in FY 00/01 are detailed in the Listing of Proposed Projects as part of this Annual Plan. The following is a summary of activities for each priority which is scheduled to be funded for FY 01/02:

In order to address **Priority 1. Increase the Available Supply of Housing Affordable to Lower Income Households**, the Urban County will provide funding for the following activities in FY 01/02:

- Through the approval process, funding has been recommended for several non-profit housing development corporations for new construction projects which are expected to get underway soon. Also, funding has been recommended for non-profit housing developers to acquire and rehabilitate existing structures.

In order to address **Priority 2. The Rehabilitation and Maintenance of Existing Housing**, the Urban County will provide funding for the following activities in FY 01/02:

- Each participating city and the Unincorporated Area will continue to operate their local Housing Rehabilitation Programs.
- Funding has been recommended for Economic and Social Opportunities (ESO) to continue to operate a Minor Home Repair Program in several cities and the Unincorporated Area.

In order to address **Priority 3. Preserving Existing Affordable Housing**, the Urban County will provide funding for the following activities in FY 01/02:

- Funding has been recommended for Catholic Charities and Project Match for shared housing operations.
- Funding has been recommended for South County Housing for the acquisition, rehabilitation and reconstruction of Church Street Apartments which will be a 72 unit complex in Morgan Hill.

In order to address **Priority 4. Ensuring Equal Housing Opportunities**, the Urban County will provide funding for the following activities in FY 01/02:

- Funding has been recommended for the Santa Clara County Fair Housing Consortium which includes Asian Law Alliance (ALA), Mid Peninsula Citizens for

Fair Housing (MCFH). Project Sentinel, and the Mental Health Advocacy Project to continue to provide a resource for Urban County residents with tenant/landlord, housing discrimination, and fair housing concerns.

In order to address **Priority 5. Increasing Housing Opportunities for Special Needs Households**, the Urban County will provide funding for the following activities in FY 01/02:

- Funding has been recommended for the Silicon Valley Independent Living Center (formerly known as Adult Independent Development Center) to provide housing counseling to the Urban County disabled.
- Funding has been recommended for Economic and Social Opportunities (ESO) to continue to provide handicapped access to Urban County residents under the Minor Home Repair Program.
- Funding has been recommended for the Emergency Shelter Grant Program (ESG) projects which will provide homeless persons with essential services and homeless prevention programs. ESG funds will also be used for homeless shelters to cover maintenance, operations, and utility costs. These projects are more fully described in the Listing of Proposed Projects.
- Funding has been recommended for several battered woman's facilities to assist in providing emergency and short term housing, food, counseling, and life skills workshops.

GEOGRAPHIC DISTRIBUTION

The majority of the housing programs and services identified in this Annual Plan will be implemented throughout the Urban County; however, there are urbanized pockets in the Unincorporated Area that have been targeted for assistance because they have been underserved for a number of years and generally do not have on-going resources available. The Burbank area will be receiving CDBG funds to address drainage and flooding problems. Additionally, funds have been directed to bring residential lighting services up to current standards in Burbank. Further infrastructure improvements are anticipated in the future. In conjunction with the County's Housing Rehabilitation Program, a demonstration paint program has been approved for an Unincorporated Area pocket in the East Hills area of San Jose. The 5-Year Consolidated Plan identifies the urbanized pockets within the Unincorporated Area, notably Burbank and East Hills, as having both concentrations of low income households as well as concentrations of minorities.

HOMELESS AND OTHER SPECIAL NEEDS ACTIVITIES

1. Homeless Services

In 1992, well ahead of current trends, the Santa Clara County Collaborative on Affordable Housing and Homeless Issues was formed as a partnership of representatives from the county, key cities, service and shelter providers, affordable housing developers, employment and training agencies, business interests, and other interested parties. The goal was to join forces to secure additional funds for housing and homeless activities and these efforts have been successful, resulting in over \$40 million of funds. A few of the major accomplishments of the Collaborative include establishing the countywide Continuum of Care Plan, conducting homeless surveys, and participation in the Bay Area Regional Initiative (BARI). A current effort is a public-private-no-profit collaboration with the Silicon Valley Manufacturing Group to establish a \$20 million Housing Trust. Presently, the Trust is nearly to that goal with approximately \$18 million in commitments.

Funding Strategies: During the FY 01/02 cycle for federal funding, the Collaborative is emphasizing partnerships that strengthen the links between housing and a variety of supportive services. McKinney funding represents a major source of funds that allows the countywide Continuum of Care to exist with functional linkages. A working group was appointed to coordinate the 2000 SuperNOFA process. This process included identifying gaps in the existing system and prioritizing proposal submission to fill these gaps. Activities of this group included a grant workshop, a Continuum of Care Planning group and the formation of a ranking committee to insure that proposals addressed gaps in the system. The Collaborative intends to submit 22 proposals to the FY 01/02 McKinney funding cycle. These proposals represent permanent housing, transitional housing for families and singles and supportive services projects.

2. Special Needs

The City of San Jose has been designated by HUD as a recipient of Housing Opportunities for People with AIDS (HOPWA). The City works directly with the Santa Clara County HIV Planning Council and the other entitlement jurisdictions in Santa Clara County to determine the appropriate allocation of funding according to need. The \$723,000 in HOPWA funds for FY 01/02 are proposed to be distributed among the housing and service providers in the Santa Clara County Area as follows:

3% Administration	\$21,690
ARIS	350,655
HCAS	<u>350,655</u>
Total Grant	\$723,000

The two service providers chosen have a history of providing quality service to affected people in the community and are good at working closely with each other and other funding sources to

maximize the funds. The City of San Jose will maintain a reserve of 3% of the grant for operating costs and administration (\$21,690). The two agencies are:

1) \$350,655 to AIDS Resources, Information and Services (ARIS) of Santa Clara County, who is experienced at providing various types of housing services. This organization provides permanent housing for people at various stages of the disease. The organization has a 24-hour Residential Care Facility for the Chronically Ill for those needing the most care, a number of group homes consisting of four and five bedroom private homes leased by ARIS where people who can live in a group situation may live and a tenant-based rental subsidy program called Shared Housing Assistance Placement Service (SHAPS).

2) \$350,655 to Health Connections - AIDS Services (HCAS) formerly the Visiting Nurses Association's (VNA) AIDS Project, which provides support services as well as emergency housing in conjunction with ARIS to augment and deliver a quality set of services to this special needs population. Both groups coordinate with homeless agencies throughout the County to provide a network of necessary services.

Many of the jurisdictions in the Urban County are using CDBG funds to meet the Americans with Disability Act (ADA) requirements. These improvements include restroom access improvements, curb cuts, ramps, automatic doors, etc.

The Housing Authority has been working with a local group called Housing Choices to provide housing opportunities for person with special needs and is exploring land opportunities to construct housing. The Housing Authority of Santa Clara County is also very active in the County Collaborative.

3. Urgent Needs

In the event of a local, State or Federal Disaster declaration for areas with the Urban County, the County of Santa Clara would consider the reallocation of CDBG or other available Federal funds to abate immediate and necessary hazards. Such funds may be used for eligible activities including staffing, loans, or outright grants to affected parties, as approved by the Citizens Advisory Committee, the Council Committee, and the Board of Supervisors.

OTHER ACTIONS

Goals for Families to be Assisted with Housing

The Housing Authority of the County of Santa Clara has again been designated as a "High Performer" by HUD for public housing administration with a perfect score of 100%. Additionally, the Housing Authority has received the highest rating from Standard and Poors; only the second Housing Authority in the United States to receive a rating. The rating will be useful in financial transactions particularly affecting the Development Department.

New units under the Section 8 Rental Certificate, Rental Voucher and the Family Unification programs, if available, are obtained through a competitive application process. The Section 8 wait list was opened in January, 1999 and over 27,000 people applied in one week. The current wait list has 25,000 names on it. In 1999, the Housing Authority received 100 certificates of funding from HUD for persons with disabilities under the Main Stream funding and plan on applying for 100 more in June, 2000. They also received 700 vouchers which is equivalent to \$7 million in housing assistance payment subsidies for the County of Santa Clara for residents moving from welfare to work. The application was nationally competitive. All voucher units are leased for Welfare to Work clients. The Housing Authority has applied for 1,000 new vouchers; 500 are the City of San Jose and 500 are for the County

In addition, the Housing Authority will administer tenant-based Shelter Plus Care housing assistance upon successful additions to the existing allocation awarded to the County of Santa Clara. If awarded, tenant-based housing assistance is eligible for use throughout the County, including the Urban County areas. The Family Unification Program received 100 additional certificates in October 1999. The Housing Authority is working in partnership with the Social Services Agency of Santa Clara County to place families in this program and has received funding through Social Services Agency to fund staff positions to assist with housing counseling and search for welfare to work recipients

The Housing Authority and Housing Choices, a non-profit for persons with disabilities are partnering on the development of housing at the former Agnews site. Remediation of toxics in the soil has temporarily slowed down the progress but it is expected that progress will pick up in the summer of 1999. The planned improvements for Rincon Gardens, in Campbell, took place in 1999 as planned and were mentioned in last year's plan. In 2000, \$200,000 will be expended to complete interior and exterior work, concrete work, upgrade the fire alarm system, replace mailboxes, paint and replace flooring in some units, replace the carpeting in the dining room and the hallways as well as other improvements.

In December, 2000, the Housing Authority finished work on a new family development in San Jose on Communication Hill. In April, 2001, work will begin on a 125 units development for seniors in San Jose. Development activities continue on 200 apartment units on the Agnews site in Santa Clara.

The Shelter Plus Care (S+C) Program is authorized by the Title IV of the Stewart B. McKinney Homeless Assistance Act. The program is intended to provide rental subsidies, linked with coordinated supportive services, for homeless persons and their families who are either seriously mentally ill, drug or alcohol dependent, or who have AIDS, or are HIV positive, or are dually diagnosed.

S+C grant recipients are chosen nationwide on a competitive basis. Santa Clara County has competed and was awarded five separate S+C grants; one in 1992, 1993, 1995, 1997, and finally 1998. The original grant awarded in 1992 expired in 1998, however, because there were funds remaining, the grant was extended, then renewed (with a new allocation) for an additional 5 years,

preserving the rent subsidies for 25 homeless individuals and their families. Currently, the HCD Program, in cooperation with the Office of County Homeless Program Coordinator, and the Housing Authority, manages \$6.5 million in Shelter Plus Care rent subsidies for approximately 160 individuals. Supportive services and coordination are also provided for Shelter Plus Care clients as a match contribution from government agencies such as County Public Health, Social Services and Mental Health Departments, as well as non-profit service organizations and shelter providers, such as, Community Care, ARIS, Emergency Housing Consortium, InnVision and many others.

The 1993 S+C grant has expired, however because there were still funds remaining, the project's term was extended. Now that the 1993 grant funds have almost all been expended, the County HCD Program, in cooperation with the Housing Authority, submitted a proposal to HUD. A grant renewal would provide an additional \$2 million to maintain permanent affordable housing for approximately 30 formerly homeless individuals and their families. The funds are also running out for the 1995 and 1996 grants, therefore, the County intends to also apply for renewals of both of these grants in the FY 01/02 application cycle. An extension was requested for the 1995 grant.

It is anticipated that the Mortgage Credit Certificate (MCC) Program will continue operation within the Urban County. This program has been very successful in providing aid to first-time homebuyers. The MCC program assists Santa Clara County residents in two ways:

- Receipt of an MCC grant aids the prospective homeowner in qualifying for a home mortgage (Lender underwriting criteria takes into account the tax credit when qualifying borrower for the loan).
- MCC recipients receive an annual federal tax credit, which, on average, saves the new homeowner between \$900 and \$1500 per year depending on their loan amount and the amount of interest paid during the tax year.

The County has also implemented a Reissue of Mortgage Credit Certificate (RMCC) Program. The RMCC Program is for existing MCC holders who wish to retain their tax credit but have refinanced their original mortgage. RMCC's must be approved and issued by the County. Since its inception in 1994, Santa Clara County has issued 2262 RMCC's. The largest number of RMCC's was issued in 1998 due to extremely low interest rates and the wave of refinancing that ensued. Refinance applications increased again in late 2000/2001 as interest rates began to fall. Additionally, a local rule change now allows MCC/ RMCC holders to refinance more than once without losing their MCC. Additionally, the restriction requiring that RMCC paperwork be submitted within a one year time frame has been eased. Tax credit recipients may now request a reissued certificate *at any time* following their refinance. Before 1998, an MCC holder could only refinance once without losing their RMCC and had to do so with a twelve month time period.

In 2000, the MCC Program provided first-time buyer assistance to households countywide. The MCC allocation is split into Small, Midsize, San Jose, BMR, (Below Market Rate) and 'Target Area' allocations. The smaller, more expensive, and low MCC-use cities of Cupertino, Los Altos, Los Gatos, Palo Alto, plus unincorporated areas of the County (with the exception of BMR units), receive a total of approximately 2.3% percent of the County's allocation. The medium-size cities of Campbell, Gilroy, Milpitas, Morgan Hill, Mountain View, Santa Clara, and Sunnyvale receive approximately 31% of the allocation, San Jose receives about 36% and 30% must be reserved for the two San Jose downtown Target Areas. 'Target Area' credit allocations may be freed up for use in other County cities if unused after one year. Allocations for BMR units are classified separately using allocation funds generally from the small and midsize categories. The cities of Morgan Hill, Palo Alto, Sunnyvale, and Los Gatos constitute the majority of use of BMR allocated funds.

Prior to July 1, 1995, the MCC Program was funded on a "need" basis. The State has since implemented a "Fair Share" concept based on population count. Currently, MCC has only a limited number of MCC's available but expects another allocation (replenishment of tax credits) in August 2001. In August, 2000, the MCC Program received an allocation based on the fair share amount but experienced difficulty using the MCC's for a number of reasons:

- The housing market skyrocketed making the maximum purchase price limit of \$270,000 unreasonable in light of the approximate \$487,000 price tag for existing homes. Costs for new homes is even higher when you consider the \$575,000 price.

- The 10% tax credit did not seem to provide enough assistance to those qualifying for a new mortgage.

Therefore, in January of 2001, the MCC program modified the program parameters with the approval of the California Debt Limit Allocation Committee (CDLAC). The MCC Program now:

- increased the maximum purchase price from \$270,000 to \$410,000

- increased the tax credit from 10% to 15%

As a result, 52 MCC's have been issued from the 2000 database and the MCC Program is out of funds for the City of San Jose.

Lastly, the MCC Program has created a separate Teacher MCC Program which is a 20% tax credit for teachers who agree to remain employed in a "low performing school" for a minimum of 5 years. Additionally, these teachers are offered a minimum of \$7,500 in downpayment assistance from the cities of Gilroy, San Jose, or the County Housing Bond Trust Fund. The Program began in October, 2000 and has issued 4 MCC's from that allocation.

Analysis of Impediments to Fair Housing Choice

The Urban County completed an Analysis of Impediments to Fair Housing Choice in December, 1996. This report identified a lack of housing options affordable to persons of lower income as an impediment. Housing discrimination based on family status was also identified as an impediment.

During one of their frequent meetings in 2000, the Entitlement Jurisdictions within Santa Clara County determined that a study should be conducted throughout Santa Clara County to clearly identify issues of fair housing choice. A consultant was obtained and the study was conducted. The results of the study are being analyzed by the Entitlement Cities. Available 2000 census information is being incorporated into the study. The final report is expected to describe the fair housing needs and the adequacy of resources throughout Santa Clara County.

Because Ensuring Equal Housing Opportunities is one of the five priorities for funding projects which was established by the Board of Supervisors in their approval of the Five-year Consolidated Plan, the following actions have been recommended for funding during FY 01/02 to address the impediments to fair housing choice:

1. Funding has been recommended for the Santa Clara County Fair Housing Consortium which includes Asian Law Alliance (ALA), Mid Peninsula Citizens for Fair Housing (MCFH), Project Sentinel, and the Mental Health Advocacy Project to continue to provide a resource for Urban County residents with tenant/landlord and fair housing concerns.
2. In order to more clearly understand the current issues surrounding fair housing choice, all the Entitlement Jurisdictions within Santa Clara County are working together to review the results of a study conducted on this topic. It is expected that this updated information will become the basis for the need for services in addressing impediments to fair housing choice in the future.

Reducing the Number of Person Below the Poverty Line

During the FY 01/02, the Urban County will continue to provide funding to agencies such as Sacred Heart Community Services, InnVision, the Emergency Housing Consortium, Support Network for Battered Women, Community Solutions, Women and Their Children's Housing (WATCH), Cupertino Community Services, and several other service providers. Although the Urban County is not currently providing direct funding for economic development or job training projects, the funding provided to these agencies is for housing related services, which are integral components of the total services provided by these agencies that assist in reducing poverty in the Urban County. Perhaps one of the most important services of these agencies is to help families get into a stable housing situation and reduce the percentage of their income paid for housing, allowing them to use a greater percentage of their income for other essential

goods and services (food, clothing, medical care, etc.) Projects like the recently completed Villa Esperanza helps link housing to jobs. The services that these agencies provide which will assist in the reduction of poverty include:

- Affordable housing information and referral.
- Information and counseling on tenant/landlord issues
- Shared housing counseling and placement.
- Counseling, shelter services, and general assistance to very low-income or homeless populations.
- Services that address the needs of the frail-elderly, or persons with disabilities.
- Services that address the needs of low-income children and their families.

Other Countywide programs that serve the Urban County, and have a positive impact on the elimination of poverty, are the Family Self-Sufficiency (FSS) Program administered by the Housing Authority of Santa Clara County and CalWorks administered by the Social Services Agency of Santa Clara County. According to statistics gathered by the County, there has been a sharp decline (approximately 1/3 fewer) in the number of persons requiring general assistance payments over the past two years. That trend is expected to continue in FY 01/02.

To address poverty issues for North County residents including the Urban County cities of Cupertino and Los Altos, the City of Sunnyvale initiated the North Valley Job Training Consortium (NOVA) program. NOVA is a federally funded employment and training agency, administered by the City of Sunnyvale. It was formed in 1983 by six northern Santa Clara County cities (Sunnyvale, Cupertino, Mountain View, Los Altos, Santa Clara and Palo Alto) who created NOVA in response to Federal legislation, specifically the Job Training Partnership Act (JTPA). In addition, the NOVA Private Industry Council was established to guide the agency in its mission to provide low cost and efficient job training and employment programs for the six NOVA cities. The council is a private/public partnership made up of representatives from local government, business and industry, labor, education and training systems, employment services, and community support organizations.

The County's Social Services Agency will continue to serve the economically disadvantaged and will continue to participate in job training programs such as GAIN, and the CalWorks Program.

Lead Based Paint Hazards and Reduction

The Urban County Housing Rehabilitation Program will continue its efforts at identifying and mitigating households with lead-based paint hazards of program participants. All homes of Housing Rehabilitation participants constructed prior to 1978 are required to sign the "Notification - Watch Out for Lead-Based Paint Poisoning," which describes the sources, hazards, and treatment of lead based paint. The executed form is kept as a record in the file for

that homeowner. The Rehabilitation Program will initiate the necessary steps to mitigate the lead based paint as a part of the overall Housing Rehabilitation activity for that project.

The Urban County joined the other entitlement cities in the County to create and develop strategies of addressing the scarcity of lead-based paint contractors. The County and the other cities were given an extension from HUD until August 9, 2001 to comply with the new Federal requirements for lead based paint. The Housing Rehabilitation Program will initiate the necessary steps to mitigate the lead based paint as part of the overall housing rehabilitation activity.

Economic and Social Opportunities, Inc. was awarded a \$300,000 contract from the California State Department of Community Services and Development in 2000 to implement a HUD funded program for Lead Hazard Control Services to lower-income residents of Santa Clara County. Eligibility for this program will be limited to households with children who are less than six (6) years old and will include both rental and owner-occupied dwellings. It is anticipated that up to 50 dwelling units will be rehabilitated through this program

Monitoring of Activities

The Urban County will continue to monitor closely the activities carried out to further the goals of the Consolidated Plan. For all CDBG, HOME and ESG funded activities, an annual performance report will be completed in accordance with federal requirements detailing the dollars expended, the beneficiaries served, and the program goals achieved. Additionally, staff will monitor funding recipients to insure compliance with all regulations governing administrative, financial, and programmatic operations; and to make sure the subrecipients achieve their performance objectives within schedule and budget.

Intergovernmental Coordination

As part of the development process of the Consolidated Plan, the staffs of the CDBG entitlement cities of Palo Alto, Sunnyvale, Mountain View, Santa Clara, Gilroy, Milpitas, San Jose, and the Urban County of Santa Clara met to discuss data resources, and to coordinate requests for data and information to both public and private Countywide agencies. These meetings have continued and contributed to a coordinated approach to the Analysis of Impediments of Fair Housing Choice. The meetings have helped the cities' staff better understand the County and nonprofit social service structure.

Over the last several years, these cities have cooperated in the joint funding of a number of CDBG and housing projects of Countywide significance. Neighboring cities frequently cooperate in jointly funding housing for special needs populations. These efforts are expected to continue.

PROGRAM-SPECIFIC REQUIREMENTS

1. CDBG Funds

Santa Clara County CDBG funds are a vital part of the financing package for low income housing development projects. They are an important source of funding for the earlier phases of a housing project. CDBG funds provide a flexible source for predevelopment, acquisition, and 'soft' costs. Nonprofit housing developers typically need CDBG funds to complete preliminary architectural and environmental studies to determine the feasibility of a proposal. This work must be done in order to obtain permanent federal and state financing or private bank loans. For some types of housing subsidies, the CDBG funds count as a local match or equity. CDBG funds may also be used to acquire existing rental apartments and to repair and renovate rental housing. However, directly funding new construction of housing is generally not an eligible activity under CDBG regulations.

The Urban County anticipates that approximately \$662,350 will be received as Program Income primarily through the Housing Rehabilitation Revolving Loan Program. Program Income returns to the Rehabilitation Revolving Loan Program fund and is expended prior to any drawdowns from the Letter of Credit for housing rehabilitation activities.

2. HOME Funds

HOME funds are primarily to be used to subsidize housing construction costs and acquisition costs. Units receiving HOME funds must serve low and very low income households and are subject to stringent regulations. To date, the Urban County has not allocated any HOME funds for home buyer activities. The Urban County program reserves at least 15% of the total grant for Community Housing Development Organizations (CHDOs). A CHDO is a private, non-profit organization whose purpose is the provision of decent, affordable housing, who has demonstrated its capacity for carry out HOME eligible activities, and who has a history of serving the community to be assisted with HOME funds. The currently designated CHDOs are Project Match, South County Housing, and Community Housing Developers. No less than 90% of HOME funds allocated must benefit households with incomes below 60% of County median. 10% of HOME funds may benefit households with incomes between 60% and 80% of County median or the HUD established income ceiling for this area.

A 25% match is required for HOME funds and the match can be cash, the value of foregone interest, taxes, fees or charges, appraised value of land or real property. The match cannot come from Federal funds (including CDBG, HOME, ESG, Rental Rehab Program) and the match must be available at the time the nonprofit requests reimbursement under their contract with the Urban County.

3. ESG Funds

ESG Funds provide four categories of assistance to existing shelter providers. These are rehabilitation of shelters, essential services, maintenance and operations and homeless prevention. The ESG program also requires a match of 50%. The match may include the value of any donated material or building, the value of any lease on a building, and the time and services contributed by volunteers to carry out the ESG program at the rate of \$5 per hour. The match must be available at the time of request for reimbursement under their contract with the Urban County.

COMMENTS

No public comments were received by the HCD Program regarding the Annual Plan, either during the public meetings or in the designated month for public comments on the draft plan.

whm/annual plan FY 2001/02/disk and hard drive

Entitlement and Non-Entitlement Cities (Urban County) in Santa Clara County

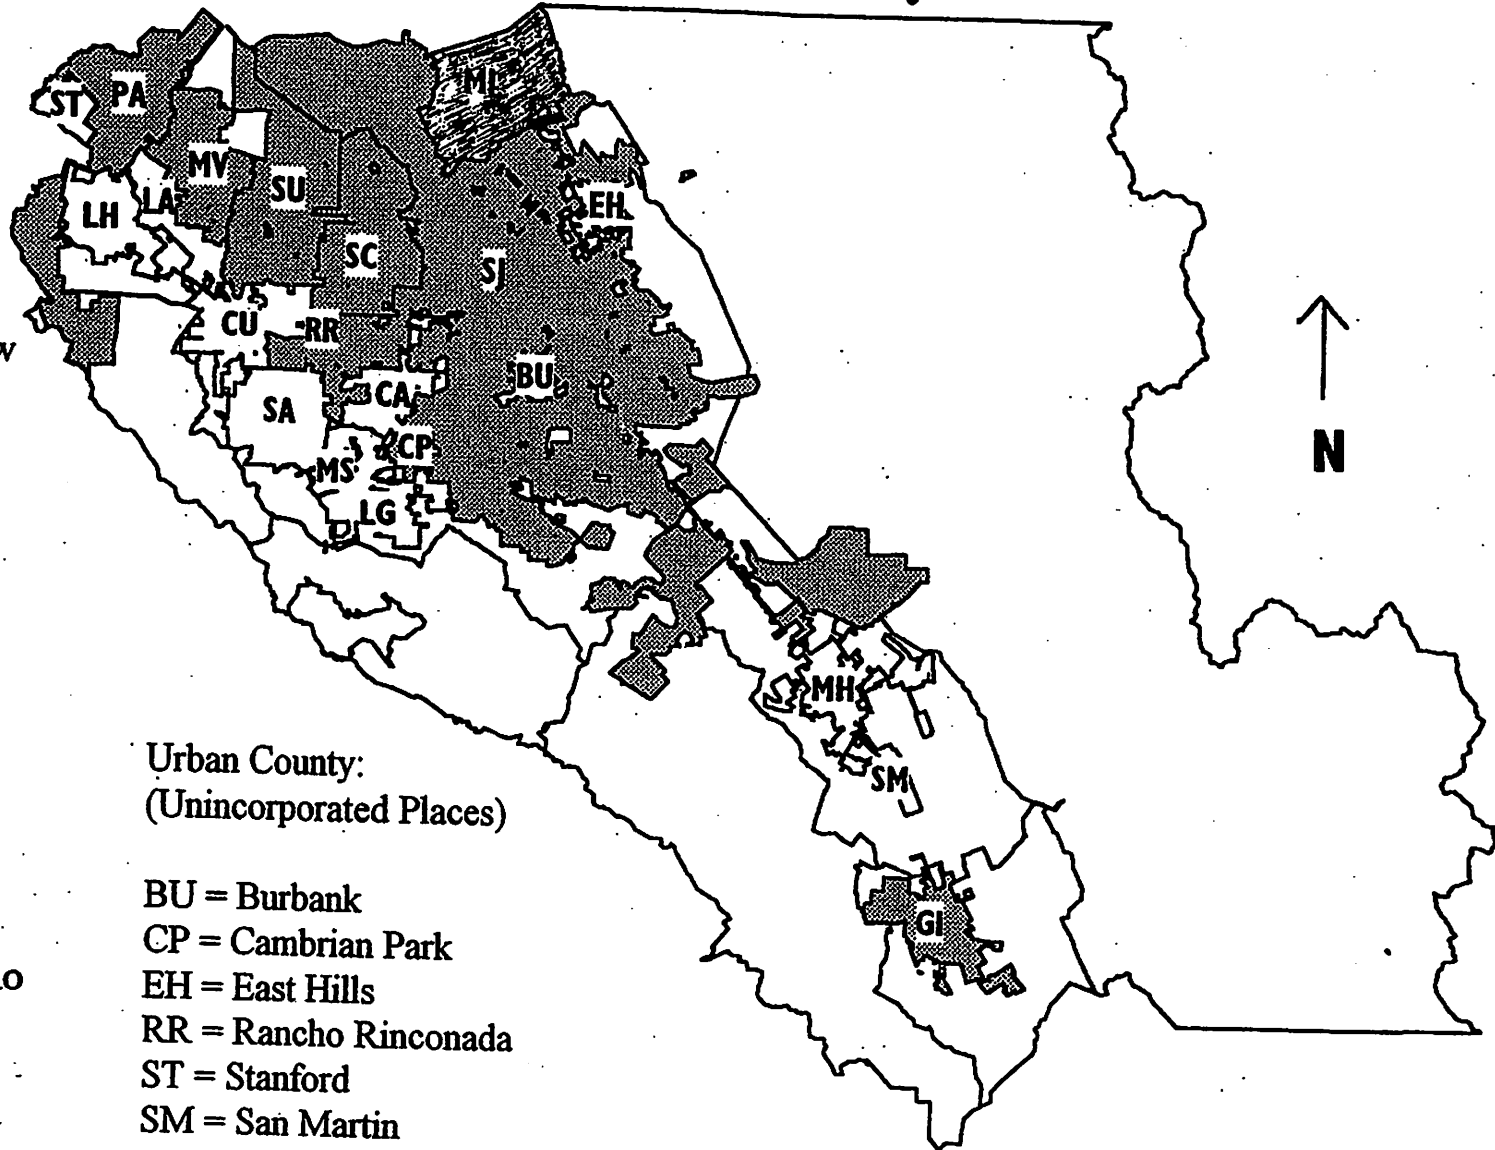

Entitlement Cities:

GI = Gilroy
MV = Mountain View
PA = Palo Alto
SC = Santa Clara
SU = Sunnyvale
SJ = San Jose
MI = Milpitas
Urban County:
(Incorporated Cities)

CA = Campbell
CU = Cupertino
LA = Los Altos
LH = Los Altos Hills
LG = Los Gatos
MS = Monte Sereno
MH = Morgan Hill
SA = Saratoga

Urban County: (Unincorporated Places)

BU = Burbank
CP = Cambrian Park
EH = East Hills
RR = Rancho Rinconada
ST = Stanford
SM = San Martin

Note: Entitlement cities are shaded and the urban county is in white.

Instructions for the HUD-424-M

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

This form is to be used by applicants requesting funding from the Department of Housing and Urban Development for application submissions for Federal assistance.

or the following information:

Program: The HUD funding program you are applying under.

Applicant Share: Enter the amount of funds or cash equivalent of in-kind contributions you are contributing to your project or program of activities.

Federal Share: Enter the amount of HUD funds you are requesting with your application.

State Share: Enter the amount of funds or cash equivalent of in-kind services the State is contributing to your project or program of activities.

Local Share: Enter the amount of funds or cash equivalent of in-kind services your local government is contributing to your project or program of activities.

Other: Enter the amount of other sources of private, non-profit, or other funds or cash equivalent of in-kind services being contributed to your project or program of activities.

Program Income: Enter the amount of program income you expect to generate and contribute to this program over the life of your award.

Total: Please total all columns and fill in the amounts.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing – The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan – It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace – It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about -
 - (a) The dangers of drug abuse in the workplace;
 - (b) The grantee's policy of maintaining a drug-free workplace;
 - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
 - (a) Abide by the terms of the statement; and
 - (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position

title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted -
 - (a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph (n) of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

8. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

County of Santa Clara
Housing and Community Development Program
1735 North First Street, Suite 265
San Jose, CA 95112

Check ☐ if there are workplaces on file that are not identified here; The certification with regard to the drug-free workplace required by 24 CFR part 24, subpart F.

9. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C.812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:

A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies. (This is the information to which jurisdictions certify).
4. For grantees who are individuals, Alternate II applies. (Not applicable jurisdictions.)
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

• *Chlorophyll a* (Chl a) is the primary photosynthetic pigment in all photosynthetic organisms. It is a green pigment that absorbs light energy in the blue and red regions of the visible spectrum. Chl a is essential for the light-dependent reactions of photosynthesis, where it converts light energy into chemical energy in the form of ATP and NADPH.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit.** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 199__ , _____ (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements

financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its notification, inspection, testing and abatement procedures concerning lead-based paint will comply with the requirements of 24 CFR §570.608;

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

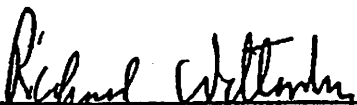

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance – If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs – it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance – before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

THE UNIVERSITY OF CHICAGO

1. Subject: Mathematics

[illegible]

1. The first step in the process of identifying a problem is to define the problem. This involves identifying the symptoms of the problem and determining the scope of the problem. Once the problem has been defined, the next step is to identify the causes of the problem. This involves identifying the factors that are contributing to the problem and determining the underlying causes. Once the causes have been identified, the next step is to develop a plan to address the problem. This involves identifying the actions that need to be taken to address the problem and determining the resources that will be needed to implement the plan. Finally, the last step in the process is to implement the plan and monitor the results. This involves putting the plan into action and tracking the progress of the plan to ensure that the problem is being addressed effectively.

[illegible]

ESG Certifications

The Emergency Shelter Grantee certifies that:

Major rehabilitation/conversion -- It will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 10 years. If the jurisdiction plans to use funds for purposes less than tenant-based rental assistance, the applicant will maintain any building for which assistance is used under the ESG program as a shelter for homeless individuals and families for at least 3 years.

Essential Services -- It will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure as long as the same general population is served.

Renovation -- Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services -- It will assist homeless individuals in obtaining appropriate supportive services, including permanent housing, medical and mental health treatment, counseling, supervision, and other services essential for achieving independent living, and other Federal, State, local, and private assistance.

Matching Funds -- It will obtain matching amounts required under §576.71 of this title.

Confidentiality -- It will develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement -- To the maximum extent practicable, it will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, operating facilities, and providing services assisted through this program.

Consolidated Plan -- It is following a current HUD-approved Consolidated Plan or CHAS.
