MEMORANDUM

TO: Steve Love, Superior Court Executive Officer

FROM: James T. Beall, Jr.
Supervisor, District 4

DATE: May 30, 1995

SUBJECT: Superior Court Budget

Thank you for meeting with me. I appreciate the information you provided on the various different issues we discussed. As I said in our meeting, it is essential that the Court and the County work together to address the many critical issues relating to the Court's budget.

I am very concerned about \$900,000 discrepancy between the Court's FY 96 budget and the Administration's FY 96 recommended budget. In an effort to reconcile the major differences between the budgets, I have requested the assistance of the Administration in analyzing the discrepancies. If there are any recommendations or suggestions the Court may have regarding this issue, please do not hesitate to bring them to my attention. It is my hope that the Court and the County can work together to resolve some of these differences which could address some of the over expenditures in next year's budget.

In addition, I would appreciate any efforts by the Court's Administration on the Nuestra Familia case. Any assistance that you may be able to provide would be extremely helpful to the County.
