Dear Ms. Wexler:

Thank you very much for taking time out of your busy schedule to attend the meeting at the Santa Clara County Government Center to discuss the energy crisis. It was very much appreciated by everyone in attendance.

Enclosed is the article, which appeared in the San Jose Mercury News, about your visit.

I do hope you will keep us apprised of current events in Washington as it may relate to Santa Clara County.

Again, thank you for the enlightening discussion you and Charles Warren gave us.

Sincerely,
