Mr. Charles Warren
Executive Office of the President
650 Capitol Mall, Suite 3556
Sacramento, California 95814

Dear Mr. Warren:

Please excuse the lateness in thanking you for the fine presentation on the energy crisis on Friday, June 29.

I am enclosing a copy of the article which appeared in our local newspaper. As you can see, your comments were well noted.

I appreciate your taking time out of your busy schedule to attend the meeting with our County officials and Anne Wexler.

I hope you and Jack Johnson will be able to visit San Jose again and be able to spend more time.

Best Wishes.

Sincerely,

Dominic L. Cortese
Chairman
Board of Supervisors
