

Luther Burbank School District

Health Services

Dear Parent

The Luther Burbank School District, in collaboration with the Children's Health Initiative and Supervisor James Beall, is launching an innovative effort to help every uninsured student obtain health benefits by enrolling in a health insurance program. We believe that a healthy child is more likely to come to school ready to learn and to succeed academically. Now, more children qualify for free or low-cost medical, dental and vision care coverage programs!

Does your child have health insurance?

1. YES__ Please identify with a check mark what type of health insurance your child presently has.
